

### Dạng 1 - thuận lợi/bất lợi

In modern life these days, XXXX has become more and more popular in the general public. As a result, there are both AAs and BBs of this problem in our life that are discussed in the following essay.

It is very clear that there are many AAs of XXXX in our life. First and foremost, one of the most important AAs of XXXX to discuss in this essay is that + Ý\_1. Besides, another typical AA to make clear this topic is that + Ý\_2. In short, they are all AAs of XXXX that we are very easy to see.

On the other hand, besides a lot of AAs of XXXX that it brings to our life, we obviously cannot ignore some BBs of XXXX. To begin with, one of the most typical BBs of this problem is that + Ý\_3. Moreover, another point of XXXX to consider is that + Ý\_4. In summary, they are all major BBs of this problem that we should consider carefully.

To sum up, from what we have discussed above, this topic a lot of AAs and BBs that we should pay attention to. From my point of view, advantages always outweigh disadvantages.

- studying abroad
- homeschooling
- using public transport
- living in a nuclear family
- constructing sky-trains above the city
- arranged marriages
- religious tourism
- using biotech food
- using alternative energy
- using machine translation
- using textbooks
- self-employment

### Dạng 2 - nguyên nhân/hậu quả/giải pháp

In modern life these days, XXXX has become more and more popular in the general public. As a result, there are both AAs and BBs of this problem in our life that are discussed in the following essay.

It is very clear that there are many AAs of XXXX in our life. First and foremost, one of the most important AAs of XXXX to discuss in this essay is that + Ý\_1. Besides, another typical AA to make clear this topic is that + Ý\_2. In short, they are all AAs of XXXX that we are very easy to see.

On the other hand, besides a lot of AAs of XXXX that it brings to our life, we cannot deny some BBs of XXXX clearly. To begin with, one of the most typical BBs of this problem is that + Ý\_3. Moreover, another point of XXXX to consider is that + Ý\_4. In summary, they are all major BBs of this problem that we should consider carefully.

To sum up, from what we have discussed above, this trend has a lot of AAs and BBs that we should consider carefully. From my point of view, everyone including families, schools, and the government should widen knowledge about this trend and work together to have many suitable ways for it as soon as possible.

- climate change
- cybercrime
- plastic waste
- air pollution

- light pollution
- traffic accidents
- water shortage

### Dạng 3 - 1 yêu cầu

In modern life these days, XXXX has become more and more popular in the general public. As a result, there are a lot of AAs of this problem in our life that are discussed in the following essay.

It is very clear that there are many AAs of XXXX in our life. First and foremost, one of the most important AAs of XXXX to discuss in this essay is that + Ý 1. Besides, another typical AA to make clear this topic is that + Ý 2.

Besides, one of the most typical AAs of this problem is that + Ý 3. Moreover, another point of XXXX to consider is that Ý 4. In short, they are all AAs of XXXX that we are very easy to see.

To sum up, from what we have discussed above, this trend has a lot of AAs. From my point of view, this is a big problem because it will affect our life, so we should consider carefully to have many suitable ways for it.

- ways to save fresh water
- benefits of sharing household chores
- benefits of keeping a diary
- measures to maintain biodiversity
- the importance of fashion
- the importance of education in the future
- benefits of sharing cultures
- ways to share cultures

Mr.Giang quá tuyệt vời!

- advantages and disadvantages of using cashless payments

XXXX = using cashless payments (banking/credit cards)

AAs = advantages

- + it will help us save time. It means that we can pay when shopping very fast, so we will have more time to do other things.
- + we will feel safe when using. That is because we do not need to bring a lot of money when we go out. It is very convenient.
- + it will help us have many skills. For example, we will know how to use technology when paying by credit cards or banking. It is very useful.

BBs = disadvantages

- + it is not suitable for everyone, especially old people or children. In fact, they cannot use this way to pay because it is very hard for them.
- + we can lose money or information when we use cashless payments.

- causes and solutions of childhood obesity

XXXX = childhood obesity

AAs = causes

- + children often eat unhealthy food. For example, they like eating fast-food such as pizzas, fried chicken, hot dog, cakes, candies and so on. It is very harmful for their health. It will make them gain weight very fast.
- + parents do not have enough knowledge and time to take care of kids, so they cannot cook healthy food for their children.

BBs = solutions

- + overweight children should eat healthy food such as vegetables, fruits, meat, fish and so on. Besides, they should play sports or do exercise to lose weight.
- + parents should spend more time taking care of their kids. They should teach their children to know about the bad effects of fast-food.

- the importance of education in the future

XXXX = education in the future

AAs = benefits/advantages

- + it will help us widen knowledge about many subjects -- key
- + it will help us learn many skills -- key
- + it will help find a good job in the future -- key
- + it will help us have many relationships - key
